

VOLUNTEERS NEEDED TO HELP INDIVIDUALS IN OUR COMMUNITY!

Become an Ohio Benefit Counselor to help low-income working families in our community. Have you always wanted to help give back here is a way you can set your own hours – locations close to home.

Great demand for tax counselor from January to April 15th.

As a trained counselor you will be able to assist people with the following:

- Tax preparation and E-filing utilizing our internet service (Refunds in less than two weeks)
- Complete HEAP Applications to help low income individuals with their heating needs
- FAFSA applications for high school seniors or college bound individuals
- And a variety of other programs to assist low income individuals

You can either work from a location close to home anywhere in the state or you can work from one of our offices. We have offices in Athens, Hocking and Perry counties. We will also be holding special times and dates at local pantries or community centers in Southeastern Ohio. Once you receive the training we assist with any concerns, questions, and support that you need.
