FLOOD CREW LEADERS & LABORERS NEEDED

to clear Hocking County waterways of wood debris and trash, complete training, and improve communities.

Have you been employed at least 4 weeks within your lifetime? Are you currently unemployed or working part-time? If so, you may be eligible!

To apply, please visit the Hocking County OhioMeansJobs Center at 389 W. Front St., Logan, OH 43138 and pick up an assessment packet from their front office. Return the completed assessment packet to the dropbox in the same space.

Hocking Athens Perry Community Action Partnership will hire workers for the purpose of removing flood debris from waterways, roadways, and easements resulting from the flood events of February 2019. These are part-time and full-time positions beginning in September 2019 and lasting until the grant expires or 2080 hours are worked. Work is 100% outside, so applicants must commit to working in all weather conditions. Pay is $11.06/hr.

WORKERS MUST BE ABLE TO:
• WORK SAFE: strict safety protocols and precautions will be taught and implemented. Zero tolerance will be adhered to for blatant safety violations
• Attend safety trainings and be expected to pass all related examinations
• Be able to do repetitive work such as brush clearing and removal
• Be able to repetitively lift 40 lbs
• Be willing to be trained on and operate timber cutting equipment such as chain saws, chipper, man lifts, and a variety of small powered equipment and hand tools.
• Be able to get yourself to worksites designated by your direct supervisor, which can be located anywhere within the Hocking County area.

Hocking County: A proud partner of the American Job Center network.
