RE: Announcement of Request for Qualifications for Professional Design Services

The Hocking County Commissioners intend to contract for engineering and architectural services in connection with the Community Development Block Grant (CDBG) Program. Engineering and/or Architectural firms interested in being considered for a contract to provide the required services should reply with a statement of qualifications no later than **June 24, 2022**. Statements received after this deadline will not be considered.

The County is seeking architectural/engineering services for two CDBG-funded projects. Preliminary project descriptions for these projects are attached. A separate statement of qualifications is needed for each project for which a firm is applying, due to filing and record retention requirements. Please provide two copies of each statement of qualifications.

Statements of qualifications should include information regarding the firm's history, experience with relevant projects and references. Please see the attached Instructions to Respondents for further direction. The Instructions to Respondents details the criteria upon which firms will be evaluated. As required by Ohio Revised Code 153.65-71, responding firms will be evaluated and ranked based upon their qualifications. Following this evaluation, representatives of the Hocking County Commissioners will enter into contract negotiations with the most highly qualified firm.

Statements of qualifications should be transmitted to: Nathan Simons, Community Development Coordinator, Hocking. Athens. Perry Community Action, PO Box 220, 3 Cardaras Dr., Glouster, OH 45732

If you have any questions regarding this Request for Qualifications, please feel free to call me at 740-767-4500.
