

Center News

Welcome September!

We are already sneaking up on the first full month complete of the school year. We have a lot going on within the classroom and the home base programs.

Center Based:

The classrooms are in the "getting to know" each other phase. Classroom activities are geared to bring the kids together and get into the routine of the classroom. If you have not already, please send in a zip lock baggy with a complete change of clothes for your child because they might get a little messy during class activities.

Home Based/Early Head Start:

The Home Base Teachers are personalizing each visit for our families to grow and learn with the seasons. Home Based socializations have started for these families, so they have the same opportunities to socialize with their peers.

Family support visits will begin this month. Be on the lookout for a call from Holly to schedule your meeting. Our first parent meeting is coming up and we would love to see everyone there!

As always, If you have any questions please feel free to call Ashley or Holly at 740.342.1333
