RE: City of Nelsonville - Sidewalk Improvements

ADDENDUM #1

This addendum supplements and amends the specifications and shall become part of the contract documents. The contractor shall acknowledge receipt of this addendum on the Bid Form and incorporate the information herein contained in the preparation of his/her proposal.

1. This clarifies that the project does not require Davis-Bacon Wages or State Prevailing Wages.
2. In the event the decorative light pole alternative is not used, the existing lights will not be reinstalled. Instead, they will be left empty for a time when new lights can be installed. The existing lights will be given to the city.
3. The Elm trees called for in the plans can be substituted for another type of Elm tree.

All other terms and conditions remain the same.
